Assistant, Associate or Full Professor in Statistics - Multiple Positions

Location: Notre Dame

Open Date:
Sep 2, 2020

Deadline: Dec 31, 2020 at 11:59 PM Eastern Time

Description:
The Department of Applied and Computational Mathematics and Statistics (ACMS) in the University of Notre Dame is accepting applications for multiple positions at the assistant, associate or full professor rank in statistics to be filled this year. Preference will be given to applicants whose research includes multi-disciplinary collaborations.

ACMS includes research groups in applied mathematics, statistics and computational science. ACMS offers a Bachelor of Science, a doctoral degree, a research master’s degree, and a professional master’s degree. ACMS is a department in the College of Science.

The teaching load in ACMS is competitive, and the position begins in August 2021.

We will begin reviewing completed applications on November 1, and continue accepting applications through December 31, 2020.

Qualifications:
The successful statistics applicants must have a doctorate in statistics, biostatistics, or a closely related field, and a record of success in both research and teaching.

This appointment is contingent upon the successful completion of a background check. Applicants will be asked to identify all felony convictions and/or pending felony charges. Felony convictions do not automatically bar an individual from employment. Each case will be examined separately to determine the appropriateness of employment in the particular position. Failure to be forthcoming or dishonesty with respect to felony disclosures can result in the disqualification of a candidate. The full procedure can be viewed at https://facultyhandbook.nd.edu/?id=link-73597.

Equal Opportunity Employment Statement

The University of Notre Dame seeks to attract, develop, and retain the highest quality faculty, staff and administration. The University is an Equal Opportunity Employer, and is committed to building a culturally diverse workplace. We strongly encourage applications from female and minority candidates and those candidates attracted to a university with a Catholic identity. Moreover, Notre Dame prohibits discrimination against veterans or disabled qualified individuals, and requires affirmative action by covered contractors to employ and advance veterans and qualified individuals with disabilities in compliance with 41 CFR 60-741.5(a) and 41 CFR 60-300.5(a).
