Visiting Assistant Professor - ACMS

Location: Notre Dame, IN

Open Date: Mar 8, 2021

Deadline: Nov 23, 2020

Description:
The University of Notre Dame’s Department of Applied and Computational Mathematics and Statistics (ACMS) seeks to hire a Visiting Assistant Professor in Statistics. Opportunities exist to teach both graduate-level and undergraduate-level statistics and applied mathematics courses such as statistical computing, time series, and nonlinear dynamical systems.

Qualifications:
The successful applicant must have a doctorate in statistics, mathematics, or a closely related field, and a record of success in teaching. The teaching load for this position is two courses per semester for a total of 4 courses per year. The position begins in August 2021. Review of applications will begin immediately and continue until the position is filled.

This appointment is contingent upon the successful completion of a background check. Applicants will be asked to identify all felony convictions and/or pending felony charges. Felony convictions do not automatically bar an individual from employment. Each case will be examined separately to determine the appropriateness of employment in the particular position. Failure to be forthcoming or dishonesty with respect to felony disclosures can result in the disqualification of a candidate. The full procedure can be viewed at https://facultyhandbook.nd.edu/?id=link-73597.

Equal Opportunity Employment Statement

The University of Notre Dame seeks to attract, develop, and retain the highest quality faculty, staff and administration. The University is an Equal Opportunity Employer, and is committed to building a culturally diverse workplace. We strongly encourage applications from female and minority candidates and those candidates attracted to a university with a Catholic identity. Moreover, Notre Dame prohibits discrimination against veterans or disabled qualified individuals, and requires affirmative action by covered contractors to employ and advance veterans and qualified individuals with disabilities in compliance with 41 CFR 60-741.5(a) and 41 CFR 60-300.5(a).
