Baylor University

Baylor University is a private Christian university and a nationally ranked research institution, consistently listed with highest honors among The Chronicle of Higher Education’s “Great Colleges to Work For.” The University is recruiting new faculty with a deep commitment to excellence in teaching, research and scholarship. Baylor seeks faculty who share in our aspiration to become a tier-one research institution while strengthening our distinctive Christian mission as described in our academic strategic plan, Illuminate (baylor.edu/illuminate). As the world’s largest Baptist University, Baylor offers over 40 doctoral programs and has more than 17,000 students from all 50 states and more than 85 countries.

Baylor seeks to fill the following tenure-track faculty position within the College of Arts and Sciences, Department of Statistical Science:

Assistant Professor, Biostatistics/Data Science

The Department of Statistical Science at Baylor University invites applications for a tenure-track faculty position starting the Fall 2022 semester. The successful applicant will join our dynamic faculty in advancing our core mission to provide quality statistics instruction at all levels; to make significant contributions to the discovery and dissemination of statistical knowledge; and to develop, within a Christian environment, ethical scholars, skilled professionals, and educated leaders who are sensitive to the needs of society. The position includes a competitive salary and benefits, commensurate with experience and qualifications. The successful candidate will be expected to establish and maintain a rigorous externally funded research program.

The position is open to all qualified applicants with an earned doctorate in an appropriate field of study at the time of appointment. The Department particularly encourages candidates with demonstrated interest and developing research program in biostatistics, clinical trials, public health or other area in biostatistics. Applicants with expertise in areas of data science, e.g., modern statistical computing and data science technologies, are also encouraged to apply.

The appointment begins in August 2022. A description of the position, including qualifications, responsibilities, and the specific application process, is available at this Interfolio link: https://apply.interfolio.com/88665. Applications will be reviewed as they are filed and accepted until the position is filled. To ensure full consideration, complete applications must be submitted by October 31, 2021.

Baylor University is a private not-for-profit university affiliated with the Baptist General Convention of Texas. As an Affirmative Action/Equal Opportunity employer, Baylor is committed to compliance with all applicable anti-discrimination laws, including those regarding age, race, color, sex, national origin, pregnancy status, military service, genetic information, and disability. As a religious educational institution, Baylor is lawfully permitted to consider an applicant’s religion as a selection criterion. Baylor encourages women, minorities, veterans, and individuals with disabilities to apply.
