The Department of Mathematics and Statistics at Carleton College invites applications for a tenure-track Assistant Professor appointment in Statistics beginning September 1, 2022. A Ph.D. in Statistics or Biostatistics in hand or its imminent completion by the start date is required. Applicants with a Ph.D. in a closely related field who have a strong background in statistics and experience in data analysis will also be considered. Appointment at a higher level may be considered in exceptional cases.

Applicants should submit materials at https://careers.carleton.edu/en-us/job/492353/assistant-professor-of-statistics. To ensure full consideration, all application materials should be received by October 1, 2021. For further information about the department consult the Carleton mathematics and statistics website at math.carleton.edu.

Carleton College does not discriminate on the basis of race, color, creed, ethnicity, religion, sex, national origin, marital status, veteran status, actual or perceived sexual orientation, gender identity or expression, status with regard to public assistance, disability, or age in providing employment or access to its educational facilities and activities. We are committed to developing our faculty to better reflect the diversity of our student body and American society. Women and members of groups underrepresented in statistics and mathematics are strongly encouraged to apply.
