DEPARTMENT OF STATISTICS

Assistant Professor

The Department of Statistics at the University of Virginia (UVA), College and Graduate School of Arts & Sciences, invites applicants for a tenure-track Assistant Professor. All research areas in Statistics are considered. The Department is experiencing increased student demand in statistics research, particularly as motivated by its faculty’s diverse interdisciplinary collaborations, so we welcome those whose research and teaching span statistical methodology and computing across numerous disciplines. In addition, the University hosts several Grand Challenges; see [https://research.virginia.edu/Grand-challenges](https://research.virginia.edu/Grand-challenges). The Department has a concurrent search for a tenured Endowed Professor, and both appointments begin in Fall 2022.

Candidates must have a Ph.D. in Statistics, Biostatistics, or a related field. The ideal candidate should show a strong desire to contribute to the Department’s mission to offer creative and novel research, engage in external funding opportunities, teach at the graduate and undergraduate levels, advise Ph.D. students, and provide service to the department, university and professional organizations.

The Department of Statistics at UVA was established in 1989 and currently has 16 research and teaching faculty. Since 2014, the College of Liberal Arts & Sciences has made significant investments in the department, leading to a three-fold growth in faculty, a five-fold increase in undergraduate majors, and several new statistics courses, degree programs, and initiatives. Faculty and students work closely with biostatisticians in the adjacent School of Medicine, as well as with UVA’s Quantitative Collaborative (Social Sciences), School of Data Science, and other departments and schools; interests range from theoretical to applied statistics (including statistics in the physical, medical, and social sciences), with a strong emphasis on interdisciplinary collaborations. All faculty supervise a growing number of students at all levels, including Bachelor of Arts, Bachelor of Science, Master of Science, Ph.D. degrees in Statistics.
Review of applications will begin December 10, 2021; candidates who apply by then will be given priority consideration, but the position will remain open until filled. Apply online at https://uva.wd1.myworkdayjobs.com/en-US/UVAJobs/job/Charlottesville-VA/Assistant-Professor-of-Statistics-tenure-track_R0030068 and attach, as a single pdf: Cover letter that includes past experience working on issues of diversity, equity and inclusion and/or working with diverse populations and/or cultivating a diverse, equitable, and inclusive culture; CV; Research agenda, including potential collaborations at UVA; Teaching philosophy and experience; Contact information for at least 3 references.

COVID Vaccination Requirement

The University of Virginia expects all current and new employees (UVA Health System and Academic), to be vaccinated against COVID-19.

If hired to work within the University Health System, you will be required to provide proof of vaccination or be willing to receive the vaccination. Employees may request a medical or religious exemption from vaccination.

If hired to work on the Academic side of the University, excluding the School of Medicine, School of Nursing, UPG, and the Health Systems Library, you will be required to provide proof of vaccination or be willing to submit to mandatory, weekly prevalence testing. Employees that are working 100% remotely will not be subject to weekly prevalence testing; however, if the employee works on UVA Grounds (including the Medical
Center) even intermittently, then they are required to be tested for COVID-19 once per week on an indefinite basis and follow masking mandates.

NOTE: Some medical and safety-sensitive positions require vaccination and are not eligible for an exemption. For more information on how the vaccination and testing requirements will apply to you at your work location, see the UVA New Hire Vaccination Requirements webpage.

The University of Virginia, including the UVA Health System which represents the UVA Medical Center, Schools of Medicine and Nursing, UVA Physician’s Group and the Claude Moore Health Sciences Library, are fundamentally committed to the diversity of our faculty and staff. We believe diversity is excellence expressing itself through every person's perspectives and lived experiences. We are equal opportunity and affirmative action employers. All qualified applicants will receive consideration for employment without regard to age, color, disability, gender identity or expression, marital status, national or ethnic origin, political affiliation, race, religion, sex (including pregnancy), sexual orientation, veteran status, and family medical or genetic information.
