Wharton Department of Statistics and Data Science
University of Pennsylvania

Departmental Postdoctoral Researcher

The Department of Statistics and Data Science of the Wharton School, University of Pennsylvania, is seeking candidates for a Postdoctoral Researcher position in the area of statistics with a focus on high-dimensional statistics, machine learning, and/or applications in genomics.

The position is designed to be a career-building step for new scholars. The primary focus is for the scholar to develop her or his research program. A light teaching load will also be part of the position. The position will start in Summer 2022 and continue for two years with a possible extension to three years. A competitive salary will be provided.

Candidates should show outstanding capacity for research, as well as excellent communication skills. Applicants must have a Ph.D. in statistics or a related field from an accredited institution.

Please visit our website, https://statistics.wharton.upenn.edu/recruiting/dept-postdoc-position, for a description of the department and link to submit a CV and other relevant material. Applications are considered on a rolling basis. Any questions can be directed to stat.postdoc.hire@wharton.upenn.edu.

The University of Pennsylvania is an EOE. Minorities / Women / Individuals with disabilities / Protected Veterans are encouraged to apply.
