Statistics: Assistant Professor to teach undergraduate and graduate courses in statistics and data science; conduct methodological and collaborative research leading to publication and external funding; provide academic advising; provide service to the institution and the profession. Position starts August, 2022.

Required: Ph.D. in statistics, biostatistics, or data science by date of appointment.

Consideration may be given to candidates with research expertise complementing the expertise of department faculty and/or to candidates who can teach modern statistics computing tools (such as Python, Spark, Hadoop, etc.) for large datasets. Candidates in all statistical specialties are invited to apply for this position.

Submit cover letter, curriculum vitae, research statement, teaching philosophy, graduate transcript, and a 1-page statement addressing past and/or potential contributions to advancing diversity, equity, and inclusion through research, teaching, and/or service to https://jobs.miamioh.edu/cw/en-us/job/499660/assistant-professor. Department will request letters of recommendation from references listed in application. Inquiries may be addressed to statsearch@miamioh.edu. Screening of applications will begin January 3, 2022 and continue until the position is filled.

Miami University is committed to creating an inclusive and effective teaching, learning, research, and working environment for all.

Miami University, an Equal Opportunity/Affirmative Action employer, encourages applications from minorities, women, protected veterans and individuals with disabilities. Miami University prohibits harassment, discrimination and retaliation on the basis of sex/gender (including sexual harassment, sexual violence, sexual misconduct, domestic violence, dating violence, or stalking), race, color, religion, national origin (ancestry), disability, age (40 years or older), sexual orientation, gender identity, pregnancy, status as a parent or foster parent, military status, or veteran status in its recruitment, selection, and employment practices. Requests for all reasonable accommodations for disabilities related to employment should be directed to ADAFacultyStaff@miamioh.edu or 513-529-3560.

As part of the University’s commitment to maintaining a healthy and safe living, learning, and working environment, we encourage you to read Miami University’s Annual Security & Fire Safety Report at http://www.miamioh.edu/campus-safety/annual-report/index.html, which contains information about campus safety, crime statistics, and our drug and alcohol abuse and prevention program designed to prevent the unlawful possession, use, and distribution of drugs and alcohol on campus and at university events and activities. This report also contains information on programs and policies designed to prevent and address sexual violence, domestic violence, dating violence, and stalking. Each year, email notification of this website is made to all faculty, staff, and enrolled students. Written notification is also provided to prospective students and employees. Hard copies of the Annual Security & Fire Safety Report may be obtained from the Miami University Police Department at (513) 529-2225. Criminal background check required. All campuses are smoke- and tobacco free.

Miami University is committed to providing up-to-date information from the Department of Labor to our applicants for employment. Here, you will find links to the current information regarding the Family and Medical Leave Act (FMLA), Equal Employment Opportunity (EEO), and the Employee Polygraph Protection Act (EPPA).
