Lecturer Faculty position at Rice University

Rice University’s Department of Statistics is dedicated to the advancement of the scientific discipline of statistics, the innovative application of statistical science to meet modern scientific, engineering and societal challenges, the expert education of students in statistics and other disciplines, and leadership in the statistical sciences broadly construed, at the local, national and international levels.

Candidates should have a Ph.D. degree in Statistics, Applied Mathematics, Computer Science or a related field. U.S Citizens or permanent residents only. Candidates with industry experience are especially encouraged to apply. We seek individuals interested in teaching introductory statistics and data science courses, 2-3 courses per semester. A solid background in R is required. Some service to the Department should be expected.

Application Instructions
Applicants should submit the following materials: (1) cover letter, (2) curriculum vitae, (3) statement of teaching philosophy, (4) sample syllabus, (5) sample teaching material, especially related to data science, (6) teaching evaluations, and (7) DEI statement describing their past and planned diversity, equity, and inclusion efforts. In addition, candidates will be asked to provide the names and contact information for at least three (3) references.

The deadline for applications is **February 21, 2022**. The proposed starting date is July 1, 2022.

About Rice University
The George R. Brown School of Engineering ranks among the top 20 of undergraduate engineering programs (US News & World Report) and is strongly committed to nurturing the aspirations of faculty, staff and students in an inclusive environment.

We seek greater representation of women, minorities, people with disabilities, and veterans in disciplines in which they have historically been underrepresented; to attract international students from a wider range of countries and backgrounds; to accelerate progress in building a faculty and staff who are diverse in background and thought; and we support an inclusive environment that fosters interaction and understanding within our diverse community.

Rice University is an Equal Opportunity Employer with commitment to diversity at all levels and considers for employment qualified applicants without regard to race, color, religion, age, sex, sexual orientation, gender identity, national or ethnic origin, genetic information, disability, or protected veteran status.
