Position Summary
The School of Biological Population Health Sciences invites applications for a full-time 1.00 FTE, 9-month, fixed-term Instructor position. Reappointment is at the discretion of the School Head.

This Instructor will teach undergraduate and graduate courses in the Biostatistics program in the School of Biological and Population Health Sciences, both on campus and online, advise and mentor graduate students in the Masters of Public Health (MPH) degree program, and provide service to Oregon State University.

Position Duties

90% – Teaching and Advising:
- Teach undergraduate and/or graduate courses in Biostatistics, both on campus and online, as assigned.
- Develop course materials and contribute to curriculum design, as assigned.
- Serve as Member or Chair of student committees in the MPH degree program.
- Serve as the primary graduate student advisor for Biostatistics MPH students.

10% – Service:
- Provide service to the Program, School, College, and University in the form of committee work and participation in faculty meetings.

Minimum/Required Qualifications
- Doctoral degree in Biostatistics, Statistics, or closely related discipline.
- Prior teaching experience in Biostatistics or related fields.

Preferred (Special) Qualifications
- Demonstrated excellence in teaching undergraduate and/or graduate Biostatistics courses to students in Public Health and the Human Sciences, using both in-person and online modalities.
- Interest in developing and teaching new courses in Biostatistics.
- Experience with R.
- Experiences and/or training in Epidemiology.
- A demonstrable commitment to promoting and enhancing diversity, equity, inclusion.
This position requires a clear and unambiguous commitment to compliance of all National Collegiate Athletic Association (NCAA) regulations for Division I (FBS) universities.
