Instructor – Biostatistics

The Biostatistics program at the School of Public Health of the Louisiana State University Health—New Orleans (LSUH-NO) is hiring a full-time instructor faculty position in biostatistics. The Biostatistics program offers Master of Public Health, MS and PhD degrees in Biostatistics.

The instructor will teach undergraduate and graduate courses in LSUH-NO, both on campus and online, advise and mentor graduate students in the Masters of Public Health (MPH) and Master of Science degree programs, and provide service to the biostatistics program, SPH, and LSUH-NO.

Minimum/Required Qualifications
• Master’s degree in Biostatistics, Statistics, or related area.

Preferred Qualifications
• PhD degree in Biostatistics, Statistics or related area.
• Demonstrated excellence in teaching undergraduate and/or graduate Biostatistics courses to students in Public Health or related areas, using both in-person and online modalities.
• Experience with R/SAS.
• Prior teaching experience in Biostatistics or related fields.

Applicant instructions: Applicant must submit a Cover letter, C.V. and list three references via: https://lsuhsc.peopleadmin.com/postings/12032

About the School/Department
LSU Health New Orleans is located within the biomedical district of New Orleans. It consists of six professional schools and twelve Centers of Excellences. The School of Public Health (SPH) offers degrees at the Bachelor’s, Master’s and PhD level in Public Health. The SPH is CEPH accredited and maintains a diverse research portfolio with funding from NIH, CDC, and a variety of other state and federal agencies and private institutions. The School’s mission is to advance the public’s health and well-being through education, research and service with a focus on issues affecting Louisiana. For additional information about SPH please visit: https://sph.lsuhsc.edu

LSUHSC, N.O. offers a competitive benefits package including health insurance, financial protection plans, retirement plans, and generous paid time off policies. For additional information please visit: https://www.lsuhsc.edu/administration/hrm/benefits-about.aspx.

LSU Health New Orleans is committed to leveraging diversity as an educational resource and an institutional core value. We seek candidates who will contribute to a climate where students, faculty, and staff of all identities and backgrounds have equitable access and success opportunities. As an equal opportunity, affirmative action employer, we welcome all to apply without regard to race, color, religion, age, sex, national origin, physical or mental disability, genetics, protected veteran status, sexual orientation, gender identity or expression, or any other characteristic protected by federal, state, or local laws.
